PARTNERSHIPS

Litter Task Force

KMB Partners with Richland & Lexington Counties, City of Columbia, Dominion Energy, the Town of Irmo, Palmetto Pride, SCDOT and other organizations to offer a range of programs.

ENGAGING, INSPIRING, AND EDUCATING THE MIDLANDS TO INVEST IN OUR COMMUNITY THROUGH LITTER PREVENTION, RECYCLING AND BEAUTIFICATION

LITTER PREVENTION PROGRAMS

For each litter program, KMB provides litter grabbers, gloves, trash bags, & safety vests free of charge.

Adopt-A-Highway

Coordinate a group to commit to cleaning a 2-mile section of road 4 times a year for 2 years. Road availability lists are located on our website and signage will be placed to recognize your group!

Adopt-A-Street

Allows groups to adopt a street within the City of Columbia! Adoption requirements include a 2-year commitment to clean 4 times per year. A sign will be placed on your street to recognize your dedication!

One-Time Cleanups

Clean up the community without the commitment! KMB will approve your desired location and provide all the necessary equipment!

WASTE WISE BINS

KMB sponsors "Waste Wise Events" by supplying trash, recycling, and cigarette receptacles, along with feather flags, free of charge. If you have an upcoming event and would like to reduce litter, contact us to become a Waste Wise Event today!

RECYCLING EVENTS

KMB promotes litter prevention & recycling by providing at least five paper shredding events each year for residents and by collecting over 5,000 pairs of gently used shoes to be reused in developing countries through our annual shoe drive.

Adopt-A-Waterway

Adopt an island, boat landing, a section of creek, river, pond or other waterways. This commitment requires 2 cleanups per year for 2 years. A sign will be provided to recognize your group's work!

Spotless Service Saturdays

Clean up littered roadways with the KMB team & other volunteers on select Saturdays. Locations rotate to address problem areas across the Midlands.
